

INSERT – HUNTING INFORMATION BROCHURE

For the purpose of this brochure – only those species classified as **game** are listed here.

The reason being that those are the ones for which open hunting seasons is declared by *Government Gazette* and are most often being hunted.

If a species is not listed here – it must be considered as either: **Specially Protected, Protected, Non-indigenous to Limpopo or Unclassified**

In such case please enquire from your local Environmental Service Center for the procedure to obtain a permit.

SCHEDULE 4 / BYLAE 4
